

NOTICE FOR PATIENTS

DR NAT ATHAULLAH

We are sad to report that Dr Nat Athaullah has made the decision not to return to the practice following his sabbatical in Qatar which started in November 2016. Arrangements are being made to replace Dr Nat within the practice and patients will be advised when the details have been confirmed. In the meantime, we are pleased that Dr Imran Khan will continue to provide care for patients on Dr Nat's list.

DR SHILPA JETHWA

Dr Jethwa will be on maternity leave for 12 months from June 2017 and we wish her and her husband every happiness with their new baby.

During Dr Jethwa's absence we are delighted to announce that her patients will be cared for by Dr Sam Khan, who has been working in the practice as a salaried GP.

We would be grateful if patients do not, at this stage, request transfers to other doctors within the practice as we will not be able to comply with such requests.
